

Lympsham
C of E Academy
A Christian Community with Children at its Heart

RE Policy

Date Agreed	January 2026
Review Date	January 2029

In our school our Christian vision shapes all we do. Our school foundations are led through inclusive Christian Values that centre the children at the heart of our school community. Our theologically rooted vision links to the **Gospel of John 6.1-13** Jesus took the lunch of a small boy, multiplied it thousands of times to feed the 5000. In the same way Christians believe that Jesus notices and takes what we offer, our talents, our time and our gifts, multiplying them to make a difference in our communities. Just as we inspire children as learners, we encourage them to believe in themselves, respect one another and understand the importance of showing peace and love in the world that God created for us all. The children are upheld at the 'heart' of our school.

We believe values help define our character and ethos and by doing so affect our behaviour, beliefs and actions. They are our guide for living a life that will help all flourish.

At Lymsham CofE Academy our Christian Values are represented through six words that give purpose, direction and a firm grounding in all we seek to do. These are present among our school community and feature as a focus during each half term.

Heart – Enjoyment – Aspiration – Respect – Thankful

'Religious education in a Church school should enable every child to flourish and to live life in all its fullness. (John 10:10). It will help educate for dignity and respect encouraging all to live life well together.'

- RE Statement of Entitlement from the Church of England Education Office Feb 2019

Policy Statement

Religious Education (RE) has a very high profile within the Lymsham curriculum and makes a significant contribution to preparing pupils for life in modern Britain. Learning activities provide fully for the needs of all learners. Pupils will be inspired by the subject and develop a wide range of skills such as enquiry, analysis, interpretation, evaluation and reflection, to deepen their understanding of the impact of religion on the world. Christianity is taught as a living and diverse faith, focused on the teachings of Jesus and the Church, alongside a range of religions and worldviews. Religious Education encourages pupils to learn from different religions, beliefs, values and traditions while creating a safe space for them to explore their own beliefs and questions of meaning.

Legal Requirements

As an academy, at Lymsham we are independent of the local authority and not required to follow the national curriculum or the local RE syllabus. However, our curriculum must reflect: 'that religious traditions in Great Britain are in the main Christian, whilst taking account of the teachings and practices of the other principle religious traditions present in Great Britain.' [Education Reform Act 1988]. The school teaches religious education according to

the Somerset agreed syllabus, with additional teaching on Christianity through the Understanding Christianity syllabus.

Section 48 of the 2005 Education Act requires the inspection of religious education in schools which have a religious character. This is the Statutory Inspection of Anglican and Methodist Schools (SIAMS)

Manging the right to withdraw

Parents have a right by law to withdraw their children from the Religious Education curriculum. In this event, we will undertake responsibility for their supervision with regard to health and safety. Information on these arrangements are clear on our website. There will always be opportunity for parents to discuss the contents of the RE curriculum should they have concerns.

Aims of RE

- To enable pupils to know about and understand Christianity as a living faith that influences the lives of people worldwide and as the religion that has most shaped British culture and heritage.

- To engage with challenging questions of meaning and purpose
