A BIG thank you to FOLS

We just wanted to say thank you to FOLS, all the parents who kindly give up their time to help with FOLS and everyone who supports FOLS events to raise money for our school.

This term FOLS have already funded some lovely new topic books for Pre-School and these are already being used. We have also ordered a new bench and picnic table for playtime and outside learning time at school and we are really looking forward to these arriving soon.

Your fundraising and support really does make such a difference to our school.
