

Inter Faith Week 2023

Inter Faith
Week

Dear Parents/Carers,

During the week of the 20th November we will be celebrating National 'Inter Faith Week'.

www.interfaithweek.org

This has always been a popular event and enabled children and adults to find out more about different faiths and beliefs, thereby developing a culture of knowledge, understanding and respect. East Brent and Mark schools will also join in with the week this year.

This year our focus for the week will be:
'Being Welcomed into Faith'

Each class will have some interesting activities planned linked to the significance of how different religions welcome babies, children and adults into their faith and will share what they have found out with the rest of the school. Each class will be focusing on a religion and enjoying some fun activities. The children will also have the opportunity to visit the church during the week to look for features that are used during the welcoming of people into Christianity and also to do a church trail.

As a homework task we are asking that you might be able to send any items in which are linked to how your child has been welcomed into faith – this could be items of clothing they wore, special objects like candles and books, a photo etc. We would also love to hear from any children who have had a special ceremony which has welcomed them into the world but is not linked to any faith.

The classes are thinking of having a mini Christening Cake Bake Off too, so if you have any baking skills which might help, have some spare time that week and would like to help then please get in touch with your child's class teacher.

We are all really looking forward to a fun week finding out about 'Being Welcomed into Faith'.

Mrs D'Ovidio
