Year 3 and 4 trip to the Water Recycling Centre

Friday 13th October

We have arranged for our KS2 children to visit the Wessex Water’s education service to take part in an interactive tour to find out what goes on behind the scenes at the Water Recycling Centre to learn about the waste treatment processes. During the trip we are looking forward to reinforcing our work on Rocks and Soils as well as looking at the Water Cycle.

The trip will take place on Friday 13th October. The children will need to be dropped off at school at the usual time and will be transported to and from the Water Recycling Centre by coach. We will be back with plenty of time for end of the day collection as normal. There will be a small cost of £7.50 for the hire of the coach payable by Parentpay.

Your child will need to wear warm clothes and a waterproof coat as they will be outside for some of the time and we cannot rely on the British weather. They will also need to bring waterproof footwear or wellies in a labelled bag together with a packed lunch.

Kind regards

Mrs D Pennington and Miss Robinson

I consent to (child’s name) attending The Water Recycling Centre on the 13th October 2023

I have paid £7.50 via Parentpay for the coach.
