Dear Parents/Carers,

Welcome to Lympsham CofE Academy. We are really pleased to hear that your child has been offered a place for September 2024.

We look forward to welcoming both you and your child to visit our school in the coming weeks and are writing to you today to share some important dates for your diary. Our aim this term is to welcome and prepare the children as best as possible for their exciting new adventure in September.

Part of our transition for starting school will involve a stay and play session with parent support, a stay and play session on their own, a transition morning where they will meet some children from other classes and a parent information evening.
