Dear Parents/Carers

## Early Years and Wrap Around Fees

I am writing to inform you that there will be an increase in Early Years and wrap around fees from September 2024.

The Wessex Learning Trust have made the decision to align all early years and wraparound fees across the Trust and bring in line all Academies to ensure a consistent approach for our families. At Lympsham we have avoided increasing fees since September 2021, although our costs have increased significantly in this time. We are dedicated to providing high quality childcare and providing the very best facilities and staff supervision for your children and as such we hope you will understand the need for this price increase.

**Fees from September 2024 will be £6.25 per hour for all early years and wraparound care.**

After school snacks will remain unchanged at £1.10.

We appreciate your support and understanding with this matter.

Yours sincerely,

Mrs K Whiting  
Executive Headteacher
