1<sup>st</sup> July 2024

Dear Parents/Carers,

## September 2024

I am writing to you today to update you on some planned changes to our Preschool leadership structure as of September 2024.

On Friday 28<sup>th</sup> June, the school secured the opportunity to expand to five classes and we were thrilled to appoint Mrs Gratton as the new Reception class teacher. One of the aims of the school expansion project is to secure future places for our growing number of Preschool children and so we are really excited to look forward to the opportunities this brings our Preschool families.

We will very shortly begin advertising for a new Preschool Manager who will lead the Preschool team alongside our Deputy Preschool Managers. Mrs Gratton and Ms Evans will continue as an integral part of our Preschool provision as they will be part of our Early Years team, leading on planning and teaching standards. Ms Evans remains in post as our Early Years Leader across the school.

We are extremely proud of our Preschool growth and the provision that is currently in place. We will do everything we can to secure a wonderful new Preschool manager who can continue to maintain the excellent standards in place.

Our hope is to have a new Preschool manager in post for the start of the academic year. A further update will follow as soon as new information is ready to share.

We look forward to working alongside you as we support your child/children during the 2024-2025 academic year and thank you for your continued support.

Kind regards,

Katie Whiting  
Executive Headteacher

Amy Evans  
Deputy Headteacher & Early Years Lead
