Griffins Wessex Water trip

Griffins class will have the chance to visit the education centre at the Wessex water treatment site in Bleadon on Tuesday 3<sup>rd</sup> December. This is always a very interesting day and always enjoyed when we have visited previously. This visit supports and builds on the work Griffins have been doing this term about rivers. We will be leaving school at 9.45 and will be back in school before the end of the school day for normal pick up time. Please ensure your child has warm and waterproof clothing and wellies/walking boots. This trip is available to pay/consent for on Parentpay now.

FLU walk- in clinics

**If your child missed the flu vaccine in school last week and you would like them to receive the nasal spray vaccine, the school nursing team are holding a number of walk in clinics around the county. Please see the attached list for all sessions and venues.**

Poppies – Poppies are on sale in the school office and preschool, there will also be a Poppy Shop after school in the playground from Monday 4<sup>th</sup> – Friday 8<sup>th</sup> November.

Reminders

**Just a reminder that there are several trips coming up that require payment and consent via Parentpay. Please check your Parentpay accounts to see the trips that are relevant for your child/children. If you have any concerns/issues paying for these trips please do speak to the office in confidence as we are often able to offer support to help cover the cost.**

Harvest Thanks

A great big thank you to everyone who kindly donated to or supported us in church to celebrate Harvest. It was a joyous occasion and to see the church bursting with smiles was a really special moment. Our food donations will now make their way the Foodbank where we know they will be so gratefully received.

We hope you enjoy a wonderful half term break and look forward to welcoming everyone back to school on Monday November 4<sup>th</sup>.
