Reminders

Data collection forms were sent home last week, thank you to those who have already completed and returned. If you haven't yet done this please can we ask that this is done as soon as possible and they are returned to the school office **by Monday 7th Oct.**

We have the school nursing team here on Oct 17th delivering this year's flu nasal spray vaccines to all children in year Reception to year 4. The school nursing team are working hard to improve uptake of the vaccine, so if you haven't already consented and would like your child to receive this please follow the link in the attached letter. The school nursing team will also be contacting parents directly to request consent where it hasn't been received.

PRESCHOOL PLEA – our preschool would really love any donations of artificial grass. These could be off cuts or sample pieces that they can use indoors on their activity table, or larger pieces that they can use in the tuff trays. If you think you might be able to help please speak to the school office or a member of the preschool team.
