WISE UP WORKSHOPS
Empowering Parent Carers to succeed

Helping your child manage their Anxiety

Tuesday 28th January 9:30 to 11:30
@ Cheddar First School, Cheddar

Children and young people can feel anxious about different things at different ages and different times. Anxiety becomes a problem for children and young people when it starts to get in the way of their everyday life.

Severe anxiety can harm children's mental and emotional wellbeing, affecting their self-esteem and confidence. We will think about how being neurodivergent (Autistic, ADHD or other) may impact how you experience anxiety and how to manage this.

These sessions are open to all parent carers in Somerset who have a child with additional needs and/or a disability. They will provide you information about anxiety. We will help you to identify the signs to look out for and strategies you can use to support your child.

These workshops are free to attend to book your place please go to: <https://somerseparentcarerforum.org.uk> or call 01458 259384
