Club bookings for after half term now open – Please book your child's clubs for after February half term on Parentpay. Please see attached list of clubs for the term. There is no Gym club the first week back and Lego club is changing to Cricket club.

St Christopher's team are about to apply for funding to enable them to make the church a more comfortable and adaptable community space. They plan to install a toilet, food prep/serving area, a new floor, and updated seating, lighting, heating and audio-visual kit. Much more space will be available for activities and a combination of existing pews and new chairs will provide lots of different seating options.

Their grant applications will only be successful if they can demonstrate that there is a need for such a community venue in our village, so they are using a survey to assess the level of local support. They're very keen to understand the interests and ideas of as many local people and families as possible to help them plan future activities.

Copies of the surveys are being distributed to every house in the village, and you'll receive a copy in your child's book bag. There is also an online version which you can access using this link <https://forms.office.com/r/4hyrPi6Mfe>

Please do complete the survey if you can. The team will be really grateful to hear your thoughts.
