Tulip Photography - This season's school photos have been on sale for a few weeks now and the discount deadline is fast approaching. Please order your photos by **Monday** 8th December to receive your discount.

Lost property and labelling uniform – We have lots of uniform at school with no name labels in. Please can we ask that everything you send in with your child is clearly labelled. We try very hard to reunite lost property with their owners, but it is nearly impossible when items aren't labelled. All children will be bringing home a flyer for Stikins labels. If you are looking for an easy solution then please consider ordering as we receive 30% commission for our FOLS fundraising. They start at £9, which is about the same as 1 lost jumper would cost to replace.

Library books – Please can all library books be returned by next Tuesday 9th December so our librarians can do a stock check. Children will be able to start borrowing books again every week when we return in January.

Climate Action Plan -Together with the support of <https://letsgozero.org/> we are working on developing our very own Climate Action Plan with a mission to reduce our carbon footprint and improve our sustainability processes. Our Eco school leadership team will be deciding on some school actions for 2026 and we look forward to sharing those with in the new year. Please see below for our first sustainable update!

ATTENDANCE

Every day counts!

Expected attendance means having no more than seven days off this school year!

**** Brand New – Lympsham Marketplace **** - In the meantime we would love to invite you to join our brand new 'Lympsham Academy Marketplace' page on Facebook. This has been set up to be a dedicated page for Lympsham families to donate, swap and sell Lympsham uniform garments, good quality books and educational resources. Any arrangements to swap, borrow or sell garments will need to be managed externally from family to family but we hope the platform will allow the opportunity for families to reduce their fast fashion clothing turnover, lower their carbon footprint and make resources such as books more accessible for families in a cost friendly way.

Please see below guidance for accessing page:

- Search 'Lympsham Academy Marketplace' and join via Facebook.
- Add any uniform, books or educational resources to the page and clearly label the cost or free donation.
- Comment on any posts where appropriate to purchase/secure the items.
- Arrange collection and drop off at own family leisure including the transfer of money (please do not leave garments or money in the care of school staff).
- Enjoy some hassle free, cost friendly shopping!

** Please refrain from adding any toys or other clothing garments to the page. The page is dedicated to uniform, books and educational resources only. Any inappropriate posts will be deleted by page admins.

Thank you in advance for supporting our new initiative. We really hope it will be a useful for platform for all of our families.
