Attendance Roundup:		
Unicorns 94.7% Elves 94.8% Griffins 96.1% Phoenix 96.5% Whole: 95.5%		

YR 4 Moving Up Celebration – Further to the email which was sent out last week, the year 4 children will be visiting St Pauls Church in Weston on Thursday 18th June for a moving up celebration. Please don't forget to bring a packed lunch and consent on MCAS for your child to attend. We hope they all enjoy a wonderful day together reflecting on the exciting times ahead.

Athletics – We have had a lot of children sign up for the athletics next Tuesday. Those children who are currently on the waiting list we will let you know by the end of the week if a space becomes available. Thank you as always for being such supporters of sporting events. Go Team Lympsham!

Congratulations Year 1 and 4 – During the Summer term we know it is a very busy time with end of year activities and assessments before the children make the transition into new schools and year groups. During early June it is particularly busy for our Year 1 and 4 children and teachers as they complete national assessments in Phonics and Multiplication. We are so proud of their hard work and effort not only in recent days but in the weeks leading up to this point. Information from the assessments are not shared with us until later in the term but we already know from the effort they have put in that they have done themselves so proud. A great big thank you to the children, staff and families at home who have helped greatly with supporting regular homework practice tasks. We are very fortunate to have such incredible on-going support from our community.

Go team, Lympsham!
From Mrs Whiting

office@lympshamcofeacademy.co.uk

ATTENDANCE
Every day counts!

- Below 90%**
Serious Concern. Persistent absence.
- 90 - 95.9%**
Concern. Low attendance
- At least 96%**
Expected attendance.

Expected attendance means having no more than seven days off this school year!

How to Set up PARENTAL CONTROLS for APPS Android Phone

On Android phones, restricting access to particular apps usually requires going onto Google Play. From there, it's fairly easy to navigate your way through the settings to manage the parental controls and authentications relating to any apps on the device. These features can prevent your child from downloading or buying anything unsuitable for their age. Updated versions of apps or games that your child has already installed may occasionally contain something inappropriate, so we've explained how to stop those, too.

How to Block App Downloads (This Also Disables In-app Purchases):

- 1 Open Google Play Store
- 2 Tap the profile icon in the top right
- 3 Tap Settings
- 4 Scroll down to the Family section and tap Parental controls
- 5 Toggle 'Parental controls are off' to 'Parental controls are on'
- 6 Create a PIN and tap OK
- 7 Confirm your PIN and tap OK again
- 8 Tap Apps & Games
- 9 Set the age limit you wish to set
- 10 Tap Save to apply your changes

How to Stop Auto-updates

- 1 Open Google Play Store
- 2 Tap the profile icon in the top right
- 3 Tap Settings
- 4 Tap Auto-Update Apps
- 5 Select 'Don't auto-update apps' and then tap Done

Restricting Apps Through Google Family Link

- 1 Open Google Play Family Link for parents
- 2 Tap the three horizontal lines in the top left
- 3 Select your child's account
- 4 Tap Manage
- 5 Tap Controls on Google Play
- 6 Tap Apps & Games
- 7 Select the age limit you wish to set
