Harvest Festival – Our Harvest Festival will take place on the 20th of October in St Christopher's Church. We will be collecting items for the local Foodbank during the service. The foodbank is kindly asking for dry goods such as pasta sauces, small jars of coffee, tea bags, tinned food, deodorant and pet food. Please bring items into school on the 19th and 20th Oct. Many thanks for your on-going support.

Clubs – Just a reminder that clubs for next term are now available to book on MCAS. There will be no clubs on the last week of term in December.

Snacks – If your child would like to bring a snack in for breaktime please can we ask that this be a piece of fruit. The snack for older children is often eaten on the playground and therefore needs to be easy to eat and peel without cutlery. Children in reception, year 1 and year 2 do get fruit provided at breaktime but can bring their own in from home if they wish.

Christmas Festivities –

Dates for your diaries:

Mon 7th & Tues 8th December 2pm – Elves and Unicorns Nativity

Thurs 10th & Frid 12th December 9.30am – Griffins and Phoenix Nativity

Tues 15th December – FOLS Christmas Carol Concert (after school)

Wed 16th December – Christmas Panto Trip

Thurs 17th December – Christmas Dinner Day

***School dates 2027-2028 have now been agreed and will be added to the school website in the next day or two.**

Respecting our Neighbours - Cricket Club Equipment

We currently enjoy a very good relationship with the cricket club and many of our children enjoy All Stars and Softball Sessions during the Summer and indoor Softball during the winter. There are many of our past pupils that have gone on to play lots of junior and adult cricket with the club and as a result representative age-group cricket with Somerset CC.

Cricket is an expensive sport to put on, with lots of valuable equipment needed to ensure games can go ahead. Unfortunately, children find this equipment tempting to climb and jump on as well as hit with sticks and branches and it just isn't designed to take that sort of treatment. The plastic and wooden parts break whilst the metal parts bend and eventually break. The most recent damage was to the sight screen caused by children jumping on it, whilst this can be repaired, it all costs money and it will eventually have to be replaced; The last one cost £1700 to replace.

As well as the damage to the equipment I am also concerned that children may be injured as this equipment is not suitable for climbing on and the plastic and wood will have sharp edges when broken.

Could I please ask that children are reminded not to play on this equipment and that parents and carers actively discourage them so that our children can continue to enjoy the opportunities offered by the club.
